

*Technology Solutions for the Tourism Industry*

---

*eKiosk Inc. (eKI) develops, installs and maintains secure electronic ticketing systems for the tourism industry. Our flagship product, the Electronic Ticket Agent (ETA), a free standing touch screen kiosk, allows tourists and locals alike to purchase tickets electronically for regional tourist attractions, events and theatre.*

### **eKI Firsts**

---

- Moneris approval of eKI's secure credit card transaction process — a first in North America for free standing, automated ticket selling kiosk.
- ETA's introduced into Niagara Region.
- Soon to be implemented in Toronto and Ottawa tourist markets.
- Seat / theatre ticket reservation system to be part of eKI's fully integrated ticketing solution.
